PAL LIGHTING

PAL Lighting, a leading pool instrument manufacturer, is dedicated to creating innovative and reliable products for pool enthusiasts worldwide. Our commitment to excellence and cutting-edge technology ensures that pool owners can enjoy crystal-clear waters and hassle-free maintenance.

## Designed to Blend In

- Fits any standard 1.5" wall fitting for easy upgrades and new installations
- Flush-mounted design disappears into the pool surface for a seamless look
- Universal compatibility with concrete, fiberglass and vinyl pools

## Designed to be Reliable

- Smarter, simpler design that keeps your pool shining longer
- Engineered to be the most reliable pool light on the market
- Cooler, more efficient operation extends the life of every component

## Designed for Service

- Quick Disconnect Plug lets you replace the light head without pulling a new chord
- Save time and money with faster, easier light replacements

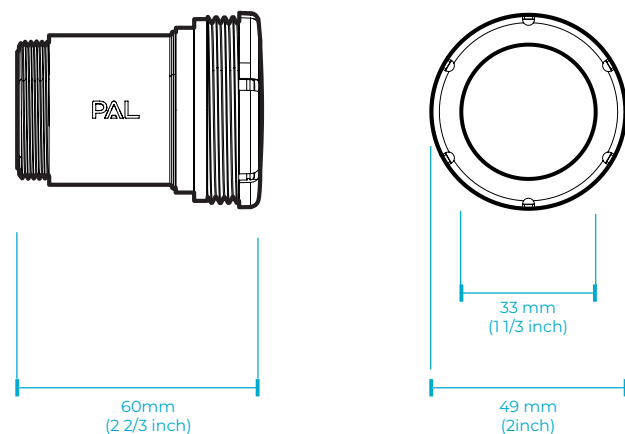

## Designed for Brilliant Coverage

- Same Treo Mini, now 33% brighter
- Wide beam spread fills the pool with vibrant, even light
- Superior diffusion eliminates harsh spots for a smooth, natural glow
